How can you manage cookies?

If you object to the processing of Your personal data with the help of cookies, you can change the settings of Your web browser so that the cookies would not be downloaded or erase already downloaded cookies.

You may change Your cookie settings on Your web browser at any time. Every browser provides an option to erase cookies.

More on that: <https://www.allaboutcookies.org/>

We note that erasure or blocking of cookies used may influence the functionality of the internet website and may as well adversely affect Your use of services made available through the website. By erasing or disabling the use of cookies you might not access specific areas or functions of our website in the future. Changing cookie settings will also affect other websites you visit.

Who processes cookie data?

We inform you that the data from selected and used cookies that are downloaded while browsing through our internet website will be collected and processed by *Data processor* “Eglės sanatorija” AB (registration number of a legal person 152038626, address Eglės g. 1, Druskininkai, tel. (8 313) 2, e-mail address info@sanatorija.lt) in adherence to the provisions of GDPR and in exercise of the obligations prescribed in the law.

For what purposes and on what legal grounds are the cookie data processed?

Cookies are used on the website of the Medical SPA for the following purposes:

- To determine the visit frequency of the persons who access through Your device,
- To remember the actions performed (e.g., to select a browsing language),
- To collect general information on visiting frequency,
- Marketing purposes of placing personalised advertising as such advertising is more valuable for publishers and third party advertisers.
- to improve the attractiveness of the website.

Usually, the cookies do not directly identify you as a visitor, but by using cookies your user experience on the internet may be more personalised.

We process this data on the grounds of your consent. You may withdraw your consent at any time by changing your web browser settings, by disabling all cookies, or by disabling (enabling) them one by one. You may also erase already downloaded cookies. You may change Your cookie settings on Your web browser at any time.
